

Basic Detail Report

Arcades Ambo

Date

2012

Primary Maker

Vickery, Andrew

Medium

Mixed media and slide projection

Description

ARCADES AMBO Instructions for installation

Requirements: Plinth or normal height table and projector

stand. Installation The cable coming out from the back of the theatre powers everything housed inside the theatre. ie lights, music player, speaker bar. The base houses the 3 power adapters which can be accessed for unpacking and re-packing by unscrewing the back screen. The back screen is very delicate and should be carefully protected. The top lifts off to access the music player and speaker bar. The volume of the soundtrack can be adjusted on the music player and if necessary also on the speaker bar. Slides The single slide must be placed in the projector to complete the sequence of 81 slides. The timer set to about 8 - 10 seconds. Daily running Connect power. Programme the music player to repeat the entire CD (if CD used) The power must be disconnected at the end of each day.

Dimensions

Object: 66 x 76 x 32 cm
