100 Muses

Date

2015

Primary Maker

Jurasic, Dragana

Medium

Instant Colour Film, 100 works 10.8 x 8.6cm- each, Edition of 1

Description

The idea of the muse often evokes images of a male artist and a passive female muse. The female muse is often depicted as nude in visual art. And in turn “the nude” – one of the biggest clichés of Western art tradition, is a genre predominantly inhabited by male artists.

Dimensions

Framed: 115 × 137 cm
