

Darkness had no need 8

Date

2017

Primary Maker

Whelan, Michael John

Medium

Chromogenic print, edition 3 of 5 + 2AP

Description

This ongoing project explores the darkest locations in the world through sound and large format long exposure photography. Certified by different organisations, these sites are selected to provide the best conditions for viewing the night sky, away from the effects of light pollution.

Dimensions

Framed: 122.2 × 152.2 cm Storage (crate): 137 × 167 × 22 cm (contains W1149, W1150 & W1151)
