

Basic Detail Report

Inside

Date

2017

Primary Maker

Vicky Langan and Maximilian Le Cain

Medium

[HD Video \(on Media Player\)](#)

Description

Inside (70 mins, 2017) is the first Langan / Le Cain feature. It excavates the sensations, desires and elusive chimeras of one woman's inner life. Taking place in the isolated setting of a remote country cottage, it summons a haunting portrait of a woman adrift in a personal reality formed of her domestic rituals and frustrations. At once lyrical, unsettling and perverse, Inside is a chart of the growth patterns of solitude.
