

Basic Detail Report

Prototype Walls (2/3)

Date

2018

Primary Maker

Byrne, Elaine

Medium

8 x Photographs, 285gsm, made using Ultra Chrome HDR pigment inks and UV protective spray

Description

Photographs of the 8 prototype walls commissioned by Donald Trump, which he planned to construct along the Mexico USA border. These photographs were taken from the Mexican side of the border looking over the current border wall in an area known for drug tunnels. These very controversial walls have all now been knocked down.

Dimensions

41.5 × 51 cm
