

Basic Detail Report

Balm

Date

2019

Primary Maker

Ni Fhlaibhin, Laura

Medium

Stainless steel, turmeric soap, blue plastic knife.

Description

Sifting stories, materials and traces associated with site, memory, myth, narratives of care and the casting of spells, Laura Ní Fhlaibhín creates complex but pithy material scenarios. These may incorporate condensed sculptural images, mineral deposits, sound, texts and formal gatherings of elements that also serve as ritual artefacts. Her work blends myth, personal recollection and oral histories, often stories that have been occluded from state-sanctioned narratives

Dimensions

Dodecagon: 140cm diameter, 30cm h. Turmeric soap: 40cm h x 70cm l x 40cm w. Storage (crate 1): 77 x 62 x 52 cm Storage (crate 2): 142 x 142 x 45 cm
