

Basic Detail Report

When the sky above will not be named

Date

2021

Primary Maker

Nolan, Isabel

Medium

Hand-tufted 100% New Zealand Wool, 12 mm pile

Description

The latest on Nolan's series of hand tufted carpets 'When the sky above will not be named' describes in seductive beauty the far distant event of the end of our Sun. The sun has been a constant motif with in Nolan's work for 25 years. This is the artist's most ambitious work concerning our relationship with the Sun to date.
