

Basic Detail Report

NO

Date

2020

Primary Maker

Smith, Dorothy

Medium

Graphite on paper

Description

"The redevelopment of O'Devaney Gardens has been mooted since 1994. The development has been contentious but is particularly so now in the midst of a

housing/homeless crisis and the agreement by DCC to sell off a large portion of the site to private developer. The drawings witness the aftermath of the demolition and the stasis of this still unresolved site."

Dimensions

56 x 56cm
